Additional Work Requirements:

Any street which is opened within two years of repaving shall be resurfaced for a distance of no less than 15ft beyond each side opening. Any street opened more than two years after but up to five years of repaving shall be resurfaced the entire width of no less than 10 ft beyond each side of said opening. Street which are opened after five years of paving shall be resurfaced the entire width for a minimum distance of 5 ft beyond each said opening.

> Emergency openings. In the case of any leak, explosion, or other accident in any subsurface pipe, line, construction or apparatus, it shall be lawful for the person owning or responsible for such pipe, line, construction or apparatus to commence an opening or excavation to remedy such condition before securing a permit, provided that, application for a permit shall be made immediately and **not later than the next business day thereafter**, and that all other provisions of this article shall be fully complied with.

Payment for all work done by the Borough under the provisions of Chapter 170 Article V, shall be made by the person made liable therefore under these provisions hereof within 30 days after a bill is sent to such person by the Borough. Upon failure to pay such charges within such time, the same shall be collectible by the Borough in the manner provided by law for the collection of municipal claims.

Any person who shall violate any provisions of this article shall, upon conviction thereof, be sentenced to pay a fine not less than $100 and not exceeding $300 and costs or shall be imprisoned for not more than ninety (90) days, or may be punished with both fine and imprisonment. Each day that a violation of this Article continues shall constitute a separate offense.

Upon signing you understand and agree to all provisions, conditions and terms in Chapter 170 Streets and Sidewalks in Trafford Borough
